1. The work in progress near the Bal Buzias (RZ 29) Community is not for an airfield, but for an undetermined project.
2. Eighty identical buildings are being built of concrete and bricks, similar to temporary buildings. The construction site is in the northeastern section of Bal Buzias just north of a park.
3. The construction plan originated with the Soviets, but the work was done by the Sovrom-Constructie Firm. \*
